C/E = Compulsory / Elective
Cr./hr.=Credit/Hour

Remarks:

1. The university requires students to achieve basic competencies and meet graduation requirements.
2. Students are required to take 4 hours of Service Education courses (0 credit) during their first year.
3. Undergraduate students shall take 16-30 credits every semester in the 1st and 2nd academic years. In the 3rd academic year, students should take 9-30 credits of an extra-curricular internship. Others should take 16-30 credits. In the 4th academic year, students should take 16-30 credits in the first semester and 9-30 in the second semester.
4. Minimum credits required for graduation are 128 credits (84 required credits and at least 44 elective credits). (including the interdepartmental elective credits)
5. No fewer than 32 professional elective credits are required with the exclusion of credits for inter-disciplinary programs. Note: Inter-departmental elective credits are transferable.
6. The extra-curricular internship of the juniors is based on the departmental internship regulations.
7. Seniors must earn proficiency certifications and meet the standards which are stipulated elsewhere.
8. The elective courses are subject to change if necessary.
9. Juniors participating in off-campus internship course will be managed by the department according to the contemporary conditions. The regulations for the internship must follow one of the following methods:
   (a) Both A &B classes must practice their extra-curricular internship during the same semester.
   (b) Class A conducts their extra-curricular internship in the 1st semester, and Class B is conducted in the 2nd semester.
   (c) Class B conducts its extra-curricular internship in the 1st semester, and Class A conducts it in the 2nd semester.
10. According to the contemporary conditions, the programs of the extra-curricular internship can be rearranged in either semester, but the credit regulations must be met.
11. An extra fee is required for each of the following courses: Practicum for Leisure Diving, Practical Pottery, Management of Ceramic Business, The Practice of Tea, Tea House Management and The Practice of Recreation Activity. Details will be announced by the teacher according to the contemporary situations.
12. Students having graduated from a foreign country, including Hong Kong and Macau, with the equivalent of the second year of high school study of the ROC's high school sophomore level, or with a high school equivalent degree, need to take 140 credits including 84 compulsory credits, and at least 56 elective credits (including inter-departmental elective credits), while elective professional course credits shall not be fewer than 44 . The program can be extended up to 3 academic years.
