C/E = Compulsory / Elective

Cr./Hr=Credit/Hour

Remarks:

1.By university regulation, students are required to meet the graduation requirement of basic language proficiency and profession skills.

2.Undergraduate students shall take 4 hours Service Education courses (0 credits) in the first and second semester of the first academic year.

3.Undergraduate students shall take 16-24 credits every semester for the 1st, 2nd and 3rd academic years and 9-27 credits each semester for the 4th academic year.

4. Minimum credits required for graduation: 132 credits including 92 compulsory credits, and at least 40 elective credits (including the interdepartmental elective credits).

5. The inter-departmental elective credits are transferable, but the professional elective course credits shall not be less than 28.

6. The course of Finance Professional License requires students to pass capacity tests or take professional licenses.

7. The students that participate practical training outside the school shall take Business Practice (I)(II), Financial Business Practice (I)(II), and Job Ethics (I)(II). The others can't take the above elective courses.

8.Three curriculum-modules are as follows:

Module A: Personal financial decision

Module B: Financial risk management

Module C: Business financial decision

9.The elective courses in the above list are for reference, and would be adjusted according to the real status.
