## Remarks:

- 1. By university regulation, students are required to meet the graduation requirement of basic language proficiency and profession skills.
- 2. Undergraduate students shall take 4 hours Service Education courses (0 credits) in the first and second semester of the first academic year.
- 3. Undergraduate students shall take 16-24 credits every semester for the 1st, 2nd and 3rd academic years and 9-27 credits each semester for the 4th academic year.
- 4. Minimum credits required for graduation: 132credits including 92 compulsory credits, and at least 40 elective credits (including the interdepartmental elective credits ).
- 5. The inter-institution elective credits are transferable, but the professional elective course credits (including department approved professional program credits) shall not be less than 28.
- 6. For the Finance Professional License, students are required to pass proficiency test or earn professional licenses. Details are available by request.
- 7. Students who participate in off-campus practice training may take the following electives: Business Practice (I) (II), Financial Business Practice (I) (II), and Job Ethics (I) (II). Other students may not select any of these elective courses.
- Three curriculum modules are as follows: Module A: Personal Financial Decision Module B: Financial Risk Management Module C: Business Financial Decision
- 9. The elective courses in the tables are for reference and subject to change as necessary.
