C/E = Compulsory / Elective

Cr./Hr=Credit/Hour

Remarks:

- 1.By university regulation, students are required to meet the graduation requirement of basic language proficiency and profession skills.
- 2.Undergraduate students shall take 4 hours Service Education courses (0 credits) in the first and second semester of the first academic year.
- 3.Undergraduate students shall take 16-24 credits every semester for the 1st, 2nd and 3rd academic years and 9-27 credits each semester for the 4th academic year.
- 4. Minimum credits required for graduation: 132 credits including 92 compulsory credits, and at least 40 elective credits (including the interdepartmental elective credits).
- 5. The inter-departmental elective credits are transferable, but the professional elective course credits shall not be less than 28.
- The course of Finance Professional License requires students to pass capacity tests or take professional licenses.
- 7. The students that participate practical training outside the school shall take Business Practice (I)(II), Financial Business Practice (I)(II), and Job Ethics (I)(II). The others can't take the above elective courses.
- 8. Three curriculum-modules are as follows:

Module A: Personal financial decision

Module B: Financial risk management

Module C: Business financial decision
