Remarks:

- According to university regulations, students are required to meet the graduation requirement of basic language proficiency and profession skills.
- Undergraduate students shall take 4 hours Service Education courses (0 credits) in the first and second semester of the first academic year.
- Undergraduate students shall take 16-24 credits every semester during the 1st, 2nd and 3rd academic years and 9-27 credits each semester during the 4th academic year.
- Minimum credits required for graduation: 132 credits include 92 compulsory credits, and at least 40 elective credits (including the interdepartmental elective credits).
- Inter-departmental elective credits are transferable, but the professional elective course credits shall not be less than 28.
- The course of Finance Professional License requires students to pass capacity tests or take professional licenses.
- Students that participate in practical training outside the school may take "Practice of Financial Operation", "Applied Financial Practice", "Business Practice (I) (II)", "Financial Business Practice (I) (II)", and "Job Ethics (I) (II)." Others may not take the above elective courses.
- Three curriculum-modules are as follows:
 - Module A: Financial Service
 - Module B: Wealth Management
 - Module C: Business Finance
- International, Hong Kong or Macau students who have obtained graduation equivalent to the 2nd year of Taiwan High School and are studying for degrees at the University must study the credits according to Remark 4 and additional 12 elective credits, and their length of study may be extended for a maximum of 3 years.
- Elective courses in the above list are for reference, and would be adjusted according to the real status.
