Cr./hr.=Credit/hour

Remarks:

1. According to university regulations, students are required to meet the graduation requirement of basic language proficiency and professional skills.
2. Students shall take 4 hours Service Education courses (0 credits) in the first and second semester of the first academic year.
3. In the first three years, students must take 16-30 credits per semester, and 9-30 credits per semester in the 4th year.
4. Minimum credits required for graduation: 128 credits including 109 compulsory credits, and at least 19 elective credits (7 interdepartmental credits are included).
5. Students having graduated from a foreign country, including Hong Kong and Macau, with the equivalent of the second year of high school study of the ROC's high school sophomore level, or with a high school equivalent degree, need to take 140 credits including 109 compulsory credits, and at least 31 elective credits (including inter-departmental elective credits), while elective professional course credits shall not be fewer than 19. The program can be extended up to 3 academic years.
6. Students should take off-campus internship courses, and the relevant measures are handled in accordance with the Implementation of Off-campus Internship Teaching for Students in the Department of Mechanical Engineering".
7. Elective courses are subject to change if necessary.
