Cr./hr.=Credit/hour

Remarks:

- According to university regulations, students are required to meet the graduation requirement of basic language proficiency and professional skills.
- Students shall take 4 hours Service Education courses (0 credits) in the first and second semester of the first academic year.
- In the first three years, students must take 16-30 credits per semester, and 9-30 credits per semester in the 4th year.
- Minimum credits required for graduation: 128 credits including 81 compulsory credits, and at least 47 elective credits (20 interdepartmental credits are included).
Technical English(I)(II) · Applied English(I)(II) · school professional required courses, department compulsory and department elective courses.)
- Students must have skill practice in a senior citizen service organization in the second semester in their senior year.
- The three Field Courses are:
◇ Field A Courses -- Smart Care Management
◇ Field B Courses-- Geriatric Social Work
- Students having graduated from a foreign country, including Hong Kong and Macau, with the equivalent of the second year of high school study of the ROC's high school sophomore level, or with a high school equivalent degree, need to take 140 credits including 81 compulsory credits, and at least 59 elective credits (including inter-departmental elective credits), while elective professional course credits shall not be fewer than 47. The program can be extended up to 3 academic years.
- Elective courses are subject to change if necessary.
